Property Description

Villa Paraiso is an iconic luxury home located within the exclusive gated community of La Reserva in Manuel Antonio. This 5-bedroom masterpiece pays homage to Costa Rican tropical living by incorporating indoor/outdoor walkways and exotic Costa Rican woods and traditional details throughout the villa. Wood-covered walkways, reminiscent of the old homes during the Quepos banana plantation era, and the grand open-air atrium, including its towering palm tree that monkeys love to visit, both greet you as you enter this magnificent villa. Built in 2009 with solid poured concrete and imported high-end finishes as well as top of the line construction materials, this home is as quality as they come. Spaciously spread out over 8,500 square feet and showcasing a 70-foot long infinity edge pool, Villa Paraiso provides privacy as it is completely surrounded by vegetation, while preserving a beautiful ocean and spectacular sunset view! The location within a gated community with paver-roads and 24/7 security is privileged, and both the Marina Pez Vela and Manuel Antonio National park are just a 5-10-minute drive.
