Property Description

Opportunity knocks with Plaza Ventanas and Ventanas Gas Station – an impressive, fully-operational commercial plaza that is generating great steady income. Located on the Southern Pacific Highway, next to the newly-opened Ventanas Gas Station – the only service station between Uvita and Palmar – Plaza Ventanas is perfectly situated to capitalize on the traffic of tourists and locals alike. The plaza is only a stone's throw away from Playa Ventanas and just 1km from the residential population in Ojochal, making it an ideal destination for a wide range of customers. The owners of Plaza Ventanas have created a one-of-a-kind experience that draws in crowds by the hundreds, with life-sized, Jurassic giants that give the plaza a theme park-like atmosphere. Families flock to this unique opportunity to snap photos with the lifelike dinosaurs. The plaza occupies a large 7,346 m² / 1.81 acre commercial lot, which offers incredible visibility from the highway.
