Property Description

Introducing "Casa Cielo" a newly built 2bed/1bath home, located just 5minutes walk from Buena Vista Beach and about 15 minutes walk to Samara Beach. The house was build at the back of the land allwoing for a large open patio with potential to expand the garden, or add another structure to the property. Situated at the of a dead end road, the house offers peace, quiet and lots of privacy. This charming home is built with concrete block, metal with high teak wood ceilings. The interior features sliding glass doors and windows providing the house with lots of natural light and a cross wind to keep the house cool all day. You'll be delighted by this one - contact us today a showing or more information.
