Property Description

This is a remarkable price for two new ocean view villas, each with private pool. Located in a secure and gated community that has abundant fruit trees, wild life, and even a huge majestic waterfall! For an investor, this is the opportunity of a lifetime. These private villas are extremely marketable. And at this price, there is a huge upside to the investment. If you are ready to move to paradise full time, you can live in one spacious unit and rent the other! The craftsmanship is extraordinary, and there is a great deal of pride in owning these tropical gems. Each room has exotic wood vaulted ceilings, and high quality finishing's. Both villas are furnished and turn-key. The locations is ideal! Great elevations for cooler nights, and easy 10-minute access to the beach town of Dominical. Just up the road is the trendy town of Tinamastas, and a short 20-minute drive to the bustling city of San Isidro.
