Property Description

Bordered by a public road, towering jungle, and a creek, with a burbling mountain river just across the street, this property offers a HUGE plantel and a blank canvas for your dream project – whether residential or commercial in nature! Located inside the rapidly transforming town of Ojochal, all the services you will ever need are a short walk or a quick drive away – cafes, pubs, restaurants, pharmacies and supermarkets, tourist shops, dentists and doctors, lawyers, trips and excursions, the world-famous Playa Ventanas and the Instagram-ready Pavon Waterfall, amongst many many others. But you would never know it – as this property, elevated above the road and a few nearby homes, offers 360-degree mountain and jungle views. At the back, a vibrant rainforest and a year-round creek induce a middle-of-nowhere vibe. In the front, the coastal mountains come into view – rising sharply to over 1,300 metres (4,300 feet) in elevation, the valleys and ridges are covered by primary jungles and often enveloped in dancing clouds and mists.
