Property Description

Welcome to this exquisite ocean-view villa, where luxury meets tranquility. This magnificent property boasts three floors of unparalleled comfort and elegance, accessible via elevator for utmost convenience. Upon entering the villa, you'll find a spacious garage accommodating two cars indoors and two more in the outdoor parking area, ensuring ample space for vehicles. The second floor offers a haven of relaxation with an independent bedroom featuring two cozy beds and a well-appointed bathroom complete with air conditioning for ultimate comfort. Additionally, there are two distinct condominiums on this level. The first condominium comprises two bedrooms, a bathroom, a fully equipped kitchen, a stylish living room, a dining area, and central air conditioning, providing a comfortable retreat for guests. The second condominium is equally inviting, featuring two bedrooms, two bathrooms, a modern kitchen, a spacious living room, a dining area, and central air conditioning throughout.
