Property Description

This versatile property offers a unique opportunity for both residential and commercial use, located just 2 kilometers from downtown Atenas on the main road connecting Atenas and La Garita. It consists of three separately registered lots, providing space for expansion or new projects. The main single-story house features three bedrooms, two bathrooms, a home office, a spacious kitchen/dining area renovated in 2022, and a generous living room. A large covered terrace and a separate laundry room complete the home. Two additional small structures serve as storage, and a carport provides convenient parking. The property is landscaped with a variety of plants, shrubs, and trees, offering a welcoming environment. A key advantage is the commercial permit, making it ideal for a professional office, retail space, or mixed-use development, with proximity to a private school and an event center.
