Property Description

One of the most unique properties in Nosara! This property is just over 3 acres and has a wide variety of fruit trees at the entrance, like Avocado, Starfruit, Mangoes, Bananas, water apples, and more. It also has an incredible seasonal waterfall in the middle of the property with a stone-built and fire-heated jacuzzi-style dipping pool and a beautiful hardwood gazebo. It is truly a stunning setting to enjoy the incredible jungle surroundings! At the top of the property, there is a rustic 2-bedroom with a jungle-emerst kitchen and hangout area. The property is located just before the Rio Montaña bridge and is a quick drive to all of the desired amenities Nosara has to offer. The property has the perfect setup for a restaurant, boutique lodge, rental cabins, or a large private estate. All public services are available.
