Property Description

You want to take a look for the perfect property to build, invest, or develop in Costa Rica? This exceptional 16,450 m² lot offers breathtaking panoramic views, a prime location, and endless potential. Perfectly positioned between Atenas and Orotina, it combines the tranquility of the countryside with easy access to main highways and both towns. • 16,450 m² (4 acres) of land with stunning views of mountains and valleys • Flat to gently sloped topography – ideal for construction • Convenient access directly from the National Road • Prime location between Atenas and Orotina, close to amenities and services • Perfect setting for a private residential community or small development • Peaceful environment surrounded by nature • Easy access to Route 27 and major highways connecting to San José and the Pacific coast • Space for multiple homes, gardens, or recreation areas This property is a rare opportunity to create something special – from a family estate to an investment project with great return potential.
