Property Description

This 985 m² property offers a unique investment opportunity in one of Guanacaste's most rapidly developing regions. With 22 meters of frontage along a public road, the site includes a container-based commercial complex featuring a café, several office spaces, and areas suitable for restaurant use, all within 350 m² of covered construction. Adding to its income potential is a two-bedroom home on the property, creating a versatile blend of business and residential use. Situated just 300 meters from the beach at Playa Potrero and only minutes from the world-renowned Flamingo Marina, this location is benefiting from a wave of growth driven by tourism, new residential communities, and international interest. Potrero is evolving into a vibrant center with restaurants, shops, and essential services that serve both locals and the expanding expat population, all while preserving its relaxed coastal atmosphere.
