Property Description

A true architectural gem, combining luxury, space, and functionality - created for those who seek the extraordinary. Via Cielo Imar Azul is nestled within the exclusive Almendros Hills development, a private community of just ten upscale properties. Ideally located on a hillside less than 1.5 km from Playa Grande Beach and the Marino Las Baulas National Park, this serene enclave offers both privacy and proximity to nature. Playa Grande, a charming coastal town neighboring Tamarindo, is renowned for its world-class surfing and laid-back atmosphere. The town features a variety of acclaimed restaurants, a local fruit market, a bakery, small grocery stores, a fitness center, tennis courts, skateparks, and a public school—making it a vibrant yet peaceful destination for both residents and visitors.
