Property Description

A 3-bedroom condo in Las Palmas, just 200 meters from the beach. Located in Playas del Coco's most walkable neighborhood, you can step out and be at the beach, cafes, restaurants, and small markets within a few minutes. This unit stands out for its size. Most condos in Las Palmas are studios or one- to two-bedroom units, so having 3 bedrooms and 1,226 sq. ft. of living space offers more flexibility for full-time living, hosting, or sharing with family and friends. The condo is part of a small 6-unit community with a shared pool, giving it a more quiet and low-density feel compared to larger complexes. 3 bedrooms | 2 bathrooms 1,226 sq. ft. Turnkey furnished Small community with pool Walk to beach and town The layout offers good separation between rooms, plus a laundry area and a balcony for outdoor space. It works well as a full-time home, a vacation place, or something you can rent out when you're not here.
