Property Description

This modern home for sale in Atenas Costa Rica is located in a private and secure gated community, offering open views of the Central Valley and the Pacific Ocean. Built in 2024, the property combines contemporary architecture, high-end finishes, and seamless indoor-outdoor integration, ideal for buyers seeking privacy, comfort, and long-term value. Set on a 728 m² lot with approximately 212 m² of construction, this single-level residence stands out for its clean architectural lines, high ceilings, cross ventilation, and strong connection to nature. It is ideal as a primary residence, retirement home, or investment property in Costa Rica. Interior Layout The home features three bedrooms and two and a half bathrooms, all designed with premium materials and a refined contemporary aesthetic. The primary suite offers direct access to outdoor areas, a custom walk-in closet with natural wood cabinetry, and a spa-style bathroom with fossil stone double sinks, rain showers, and natural ventilation.
