Property Description

Diora Home at Brisas del Golf is a singular opportunity within one of the Central Valley's most distinguished gated communities, Valle del Sol. As the only residence situated on an expansive corner lot, Diora enjoys a larger garden area, greater privacy, and increased natural light thanks to its carefully designed L-shaped layout. With 448 m² of construction on a 649 m² lot, it's ideally crafted for personalized indoor-outdoor living in the heart of Santa Ana. Construction of Diora Home is underway, with delivery just 9 months after purchase. This residence is part of Brisas del Golf, an exclusive enclave of just eight homes. Designed with flexibility in mind, Diora allows owners the rare opportunity to tailor every interior finish to their unique preferences. Anchored in the concept of "Poolside Living," Diora Home integrates optional private pools or water mirrors, large patios, and airy social areas that invite residents to enjoy Santa Ana's warm, year-round climate.
