Property Description

Tucked away in the heart of the Monte Carlo community, within the pristine Alexander Skutch Biological Corridor, lies a rare property that blends modern comfort with untouched Costa Rican nature. On 1.8 hectares (4.53 acres) of fertile land, this retreat invites you to step into a lifestyle of peace, abundance, and opportunity. The centerpiece is a beautifully designed 52 m² (560 sq. ft.) luxury cabin, built with solid block construction and refined details such as teak wood ceilings and floors. Custom-made Guanacaste furniture adds a warm, authentic touch. Inside, you'll find a modern kitchen, cozy living area, spacious bathroom, and laundry space. The large bedroom includes a dedicated office corner, perfectly suited for remote work with reliable fiber optic internet. Recently, a generous 42 m² (452 sq. ft.) deck was added, seamlessly connecting the home with its natural surroundings and expanding the total living space to nearly 90 m² (969 sq.
