Property Description

This 5 room hotel and 3 bedroom, 2 bath home, both with ocean views, sit on over one hectare (2.5 acres) of land just under half a mile off of the Costanera highway in Ojochal. Built in 2006, this charming hotel has had lots of success with its great location and reasonably priced rooms. Guests get a fresh breakfast every morning before going out to an unlimited number of tours, activities, and beaches in the immediate area, and a pool to cool off and unwind in after their exciting days. Each hotel room is equipped with bathroom, mini-fridge, and private front porch or balcony with ocean view..The adjacent home is well suited for the family that wants to give their guests a full-service experience while still maintaining a certain amount of privacy from the guests' rooms. The house features solid construction, a nicely equipped kitchen, two covered outdoor areas, and a spacious dining/living room with great green mountain views.
