Property Description

Lot #10 in this easily accessible development lies in a quiet sub-section of the Uvita community. With beautiful ocean views, these lots are perfectly manicured to blend in with nature, while combining great infrastructure. The development fronts a natural reserve, where walking trails are already in place to take advantage of the surroundings. These lots are only a 2-minute drive off the main Coastanera and most can reach without having to use 4-wheel drive. Between the views and the prices this is a must see!
