When you wake up in the morning, the first thing you see is the ocean and the lush jungle below. Casa De Serenidad is aptly named for the tranquility and serenity one feels when here. The front of the house offers the cultural beauty of antique ox carts used for floral decorations to accent the yard. Banana trees and other plants/flowers are plentiful and add to the beauty of the entry way. There are 4 fully equipped apartment rentals on the property all them share access to an infinity pool, BBQ area, fully equipped gym, a wading pool with hammocks, laundry facilities and a 2 person sit on top kayak.
