Property Description

For Sale, in Escazu, Contemporary House in Gated Community with Big Backyard, Pool and Rooftop with Jacuzzi. This big house is located in a condominium of contemporary style, with only 14 properties, 24/7 security, very close to La Paco and conveniently located between Santa Ana and Escazú, with dual entrances for owners and one for visitors, making it a very easy access to fine restaurants, private schools, private hospital, gyms, supermarkets and areas of convenience. This property is an OPPORTUNITY, the price is much lower than sale prices of the same condominium (\$900.000 and up). The house is distributed in 3 stories, LED lighting, air conditioning in all areas, marble floors and bamboo floors in bedrooms. First level: * Covered garage for 2 cars and 2-3 more outside. * Storage unit in garage. * Half bathroom for visits. * Large social area with marble floors, and windows overlooking the garden.
