Property Description

Imagine buying your vacation house in Southern Costa Rica, where you will live among lush rainforests and local wildlife. You can have your chance by purchasing this Lot in the hillsides of Playa Dominical. fresh flowers to brighten up the inside of their home. Take advantage of the timing, and this first time offering of a parcel with excellent location, and so much potential! Conveniently located within minutes of dramatic beaches and coves, and the village of Dominical where you will find shops, fine dining, and some of the best surfing waves in Costa Rica! This community is located only eight minutes from the main highway, making it an easy commute to Dominical, Uvita, or Ojochal. Dominical is known for many fresh waterfalls, including Pozo Azul, a nearby spring-fed waterfall and swimming hole. Dominical Beach is only 10 minutes away, world-renowned as a surfer's paradise. In addition, you are less than 40 minutes from Manuel Antonio National Park, which offers a plethora of activities from snorkeling to hiking and wildlife, and 20 minutes to Ballena Marine National park, a location where the humpback whales visit from the northern and southern hemisphere and have their offspring each year.
