Property Description

Surrounding by nature, this place has a great combination of the get away feeling and the comfort of staying at home. With an area of 1241 square meters, it contains a beautiful house of 100.80 square meters, indoor wooded ceilings, spacious bahtroom, a master bedroom, kitchen and garage. In addition, it has a cute cabin, special for a guest, with about 60 square meters, one bedroom, full bathroom and an open kitchen. An amazing garden with a variety of plants, flowers and fruit trees that attract the wonderful colorful birds of the zone. Located in a gated community called Quintas La Pradera, this property also has access to the Peñas Blancas River, a well known river in the zone.
