Property Description

Stunning ocean views- big blue and whitewater, glorious roving sunsets in orange, purple, and gold, and deep, lush green valley bless this five-bedroom, four-bathroom single-family 2,495 sqft. inside +2,000 sqft. outside the home on 6.9 acres of the most sought after land in the south. This is Costa Rica at its best. The town of Ojochal is famous for its quiet, residential plan, undeveloped beaches, and gourmet dining but only a few privileged folks get all that at their door. Located on the exclusive Calle Perezoso, Solmar is only three minutes from the epicerie, exceptional dining, spa, and pharmacy, and five minutes from incredible Playa Tortuga and Playa Ventanas. BLUE GREEN AND GREAT ALL OVER! It starts at the automatic front gate with shade trees, bird of paradise, and deep-red heliconia. A gentle climb to the two-bedroom, one-bath gatehouse (yours to rent or make the perfect studio) opens into green fields rich with mangos, rose apples, mangosteen, bananas, lemon, coconut, rambutan, grapefruits, and kumquat.
