Property Description

New home under construction. This home is in the exclusive 24/7 guarded gated community of Roca Verde, Atenas. Phase 3 in Roca Verde consists of upscale homes with wonderful neighbors. The vaulted ceilings are covered with exotic laurel wood. Lots of glass doors and windows let the sunshine in. Three bedrooms, two bathrooms. The home will have upgraded kitchen and bathroom details, an oversized pool and a private motorized gate. The views of the central valley are magnificent.
