Property Description

Casa Linda Vista is a private home with ocean view located on the hill at the back of the community of El Torito. Situated on a 1720m² lot, this home features 3 bedrooms, 2 baths with high ceilings, beautiful wood details and a fenced yard with an abundance of wildlife and fruit trees. With a second entrance via the second floor balcony, the master bedroom can be locked off and used as an income apartment. The adjacent lot measuring an additional 1180m² can be used for building a second house, a pool or what your heart desires. Nestled up against the mountain, this home is perfect for someone who wants to be immersed in nature without being completely isolated. This home features a view of the Samara bay
