Property Description

This beautiful 5th-floor, 2 bed/2.5 bath condo (sleeps 5!) offers amazing panoramic views of both the Pacific Ocean and the mountains that hug the coastline. This furnished unit has a modern open layout (with views from every room!) and offers 1,500 sqft of luxury, from the custom-tiled floors to the archways and unique coved ceilings. Your kitchen features thick granite countertops, stainless steel appliances, tons of cabinet space, tray ceilings and a breakfast bar with seating. Just steps away, sliders open up the entire wall to the spacious covered terrace and those stunning treetop+ocean views. The master suite (1 queen bed) also enjoys access to the terrace and has a private Juliet balcony, too. The beautiful ensuite boasts high ceilings, a huge walk-in travertine shower & a marble-topped vanity. The guest room includes 1 queen+1 twin bed and the guest bathroom has all of the same finishes as the master ensuite.
