Property Description

Nestled along a mountain ridge on the road leading to the Hills of Portalon development, this ocean view, 4-home hacienda is an incredible opportunity. Just 25 minutes from Marina Pez Vela in Quepos/Manuel Antonio, 20 minutes from the Quepos airport, 10 minutes from Playa Linda and Playa Matapalo, and 20 minutes from Dominical. This serene and private 4.5 acre lot (18,209 square meters) is the perfect "oasis in the tropical rainforest." This is a unique opportunity to purchase 3 homes plus a separate caretaker casita. These homes allow for your final touches and leave room for you to customize. Set at a perfect elevation for a warm, fresh air climate with breezes that ensure it's not too hot or humid. Because of the topography of the area, this zone is a natural wildlife corridor, so a multitude of animal species and birds frequent the area. Capuchin monkeys, 3-toed sloths, toucans, scarlet macaws, hummingbirds and parrots can be seen, up close, in this natural habitat.
