Property Description

This is a large lot in Phase 2 of Vistas de Chirripo, which is a beautiful and popular ex-pat community in the folds of Cerro Chirripo, only 20 minutes from downtown San Isidro de El General and a little over an hour from the area's beaches. This is the only resell lot in Phase 2 as all other lots in Phases 1 & 2 are now completely sold out. This lot has it all, with sweeping valley and mountain views and a huge ready-to-build pad suitable for a large home plus a guest house. There are two creeks running through the forest that surrounds the spacious building site. This property enjoys all the rights and privileges of the Vistas de Chirripo development. It is located in a very private area with two access roads. All lots at Vistas de Chirripo are fully serviced, with electricity, fresh mountain spring water supplied legally by an Asada, high-speed internet, cell phone coverage, and access on 2 wheel drive gravel roads.
