## Property Description

Imagine living in a pristine paradise in southern Costa Rica. Nothing like this in the Market. The South Pacific area of the country is often referred to as where the “mountains meet the sea.” At Cacao Ridge Estates, you’ll enjoy stunning ocean views from a breezy altitude of 1,100 feet above sea level. The pristine mountain and ocean view rival settings such as Bali and California. Incredibly, however, the Homesteads at Cacao Ridge are still as affordable as they are luxurious. These estates are located off the beaten path, allowing you to experience your own private paradise while still being only minutes away from the famous surfer’s Dominical Beach. These new homes were designed with picturesque Costa Rica setting in mind. You can feel the fresh mountain air and bright sunshine from every room in these homes, but especially from the outdoor patio and the infinity pool. As soon as you enter the home, you can see dramatic ocean views for miles.
