Property Description

Picture this; you wake up to the sound of toucans stirring in the jungle around you. You open the blinds, and sunlight streams into the bedroom; it is a beautiful day, and you can see that the waves are perfect for a morning surf. You make your way through to the chef's kitchen and make yourself a coffee, admiring the view as you wait for the kettle to boil. On the lawn below, two monkeys are playing; you creep through the foldaway doors to sit on the patio and watch. The sun is already starting to heat up the air, and you consider whether to do some yoga by the pool or walk down to the beach to surf first. Whether you plan to move to Costa Rica permanently and enjoy this carefree lifestyle or spoil yourself with a luxury holiday home, Bella Vista Estates offers an enviable life. In an exclusive gated community of 7 luxury homes built by the experienced landscape architect Ben Morris and his Paradise Homes team.
