Property Description

Welcome to the beautiful community of Morazán, located minutes from Costa Rica's second largest city, San Isidro de El General. This property is located at the highest point of a side street with amazing views, a constant breeze and minimal traffic. The house was built in 2010 with quality solid block construction and great finishes. A long 2 car driveway leads to a 2 car garage, with a beautiful garden before the main entrance. As you enter, you are greeted by very tall ceilings and a large living room space. To the left are two bedrooms and a full bathroom. To the right is a large kitchen with a breakfast bar overlooking the dining room with large fireplace. A spacious laundry room is located between the kitchen and the two car garage. And finally, the master bedroom with ensuite bathroom and bathtub! Outside you'll find a very large covered space with a bbq area and lots of space for seating.
