Property Description

Are you looking for a tropical getaway? Look no farther than this magnificent Playa Flamingo condo. It has two bedrooms, two bathrooms, and a spacious private terrace. It is located just a short walk from the immaculate white-sanded beach and across from a local grocery store, making it ideal for ocean enthusiasts who like activities such as snorkelling, scuba diving, wave running, whale watching, and more. Furthermore, with the new Marina Flamingo just feet away, you'll have quick access to all of the area's top water activities. But that's not all; Flamingo is also recognised as Costa Rica's sport fishing hub, featuring some of the world's best blue marlin and sailfishing. If you enjoy surfing, you'll enjoy the world-class surf breaks in neighbouring Tamarindo. The picturesque Reserva Conchal, named the best beach in the world by the Big 7 travel magazine, is just a five-minute drive away for those who prefer a slower pace.
