Property Description

This property is located in Playa Hermosa, the most popular & most sought after area of Santa Teresa. Surrounded by nature and with mature Cenizaro trees & jungle surroundings, this property is ready to build your next project. With residential and commercial land use it allows to build up to 75% footprint of the total 700 m2 land, with 19 meters of public road frontage. There are three well-defined building areas and extensive work done to divert the rain waters. Electricity is on site and the property already has a registered artisanal water well. 700 m2 Square Meters Electricity Water Well Residential & Commercial Usage
