Property Description

Located in Alto Varas de Turrialba this property combines nature tranquility and investment potential in a privileged rural setting. Its land of 1.24 acres offers space privacy and an excellent opportunity for those seeking quality of life develop a productive project or own a countryside home in Costa Rica. The farm features a cozy countryside house with 2 bedrooms ideal for living vacationing or enjoying as a second residence surrounded by nature. The area is known for its fresh air green landscapes and peaceful environment qualities highly valued by those looking for properties outside the city. In addition the property includes established ornamental plantations of Senderiana Gold Marginala Magenta and Marginala Bicolor all in excellent condition and with strong productive potential. This makes it an attractive investment opportunity to develop an agricultural or commercial project in an area with growing interest and long term value potential in Turrialba.
