## Property Description

Located in the heart of Canaan de Rivas, this turn-key two-bedroom, one-bathroom home blends comfort, simplicity, and a strong connection to the landscape. Set on a 1,500 m<sup>2</sup> (16,145 ft<sup>2</sup>) parcel, it sits within walking distance of Batsú Restaurante and the Butterfly Dome, yet feels quietly removed, with open skies and uninterrupted views toward the Talamanca mountains. The home's design creates a natural flow between indoor living spaces and the covered outdoor patio, where the mountains feel close and the changing light brings a calm rhythm to the day. This vantage point gives the property a sense of presence that defines daily living here. Inside, the layout is practical and spacious for its size, suited for full-time living or for use as a rental or Airbnb. The bedrooms are well proportioned, the bathroom is efficiently arranged, and the kitchen, dining, and living areas integrate smoothly.
