Property Description

Full Description An exceptional opportunity in Escobal, Atenas! This large property combines 4 individual flat building lots plus 16 hectares of functional farmland, making it perfect for a family estate, eco-retreat, or residential development. Located in a peaceful setting with excellent access, this land offers a blend of convenience, natural beauty, and investment potential.

Property Highlights:

- 4 ready-to-build lots with flat building sites
- 16 hectares of fertile farmland, ideal for crops, livestock, or conservation
- Top lots feature views of Puntarenas and the Pacific Ocean
- Abundant space for walking, preserving nature, or developing a community project
- Water and electricity services available
- Rare financing option: up to 100% financing available

Lot Breakdown:

- Lot #1: 11,974.29 m²
- Lot #2: 13,180.27 m²
- Lot #3: 7,255.27 m²
- Lot #4: 7,873.19 m²
- Additional farmland: 16 hectares

Why Escobal, Atenas?

- Just minutes from Route 27, offering easy access to San José, the Central Valley, and Pacific beaches.
