Property Description

Casa Holanda is a large stunning Mexican design villa on a 7,000sqm lot just 5 minutes away from Samara. Offering a lot of privacy you will enjoy both the spectacular ocean and mountain views. The house is comprised of 2 separate buildings both with high ceilings and a well-thought design making it cool and fresh inside. The main house features 3 bedrooms with 2.5 bathrooms. It has a fully equipped kitchen, a large living room, and a big, beautiful terrace perfect for big family dinners and enjoying the outdoors afterwards. Just steps away from the main house is the guest house with two bedrooms and a shared bathroom. Contact us for more information today!
