Property Description

Casa Lagarto is a cute and efficiently designed 2 bed 1 bath home full of charm. The home is located in the lush and private mountains behind Samara just 3 minutes on a paved road to the beach and downtown. The design of the house seamlessly integrates the indoor space with the outdoor living areas. The home features beautiful local hardwood details and accents throughout. The master bedroom opens up completely to allow natural light and air into the room. This property additionally features an additional garage with covered parking, a perfect space to store tools and materials. This is one of a kind property at an unbeatable price point. Owners financing available. Don't miss out on this amazing deal and contact Nick at 506 8841-0634 or email nick@coldwellbankersamara.com
